CHILD LEGACY INTERNATIONAL

CHILDLEGACY.ORG

Dear Friends of Child Legacy International,

This year's **MAWA Child Legacy Gala:** ***Heart of Africa*** reflects the very heartbeat of Child Legacy's mission—**expanding life-saving care and bringing lasting hope for generations to come.**

For nearly 40 years, Child Legacy International has worked to break the cycle of poverty in rural Malawi and Zimbabwe through sustainable healthcare, education, clean water, agriculture, and renewable energy programs that now serve more than **120,000 individuals each year**.

At the heart of this work is our growing medical campus in Malawi, where mothers safely deliver babies, children receive critical care, families access life-saving treatment, and hope is restored in places where healthcare can otherwise feel out of reach.

But true healing extends beyond medicine. It means strengthening families, restoring dignity, and creating healthier futures for entire communities.

Thank you for considering partnership in this extraordinary work.

Zikomo Kwambiri (Thank You Very Much),

Dacia Napier, *Gala Chair*

Jeff Rogers, *CEO & Co-Founder, Child Legacy International*
